HAIXING FAMILY

Company profile

Guangdong Haixing Plastic & Rubber Co.,Ltd.was established in 1989.For more than 20 years,we concentrate on technology innovation,research,production and sales,and now we have become one of the leading corporations in China,who mainly produces plastic house hold products especially plastic food container series etc.In August,2010,with the rapid development of the company,Guangdong Haixing Holding Group is established with Guangdong Haixing Plastic & Rubber Co.,Ltd as parent company and Italy Arsto Group Holding(HK) Ltd, Guangzhou Hairen Trade Co.,Ltd,Yiwu Haichang Plastic & Rubber Co.,Ltd and Dongguan Haixing Nanotechnology Co.,Ltd as its subsidiary companies.

Haixing Group has a national research center,which specializes in developing and designing innovative high technology products;has modernized production workshop and advanced production facility to produce environmental protection and energy saving plastic houseware;has international sales network,which ensures its rapid sale of products all over the world.Now,Haixing Group has been one of the suppliers of UNPD.

Basing on practice,Haixing Group is leading the innovation and development of the plastic houseware industry with its technical strength,which will make Guangdong province to be the biggest production base of plastic house articles in China.Besides,Haixing Group will focus on building the national sophisticated technology center and national standard setting

海兴——塑造中国最美的家居用品

HAIXING Shape the most beautiful house articles in China.

我们的愿景:

成为全球客户和消费者最值得信赖的企业

To be the most trust-worthy enterprise of customers and consumers all over the world.

成为全球同行业最具竞争力的企业之一

To be the most competitive international enterprise in the plastic industry home and abroad.

致力于将“HAIXING海兴”和“ARSTO爱思得”打造成为国际品牌。

To build HAIXING & ARSTO to be international famous brand.
